ARTICLE II

RECOGNITION OF EXCLUSIVE REPRESENTATIVE

Section 1. Recognition:

In accordance with the PELRA, the school district recognizes the Independent Winona Educational Office Professionals as the exclusive representative for clerical employees of Independent School District No. 861, which exclusive representative shall have those rights and duties as described by PELRA and as described in the provisions of this Agreement.

Section 2. Appropriate Units:

The exclusive representative shall represent all such employees of the district contained in the appropriate unit as defined in Article III, Section II of this Agreement and the PELRA and the Director of Mediation Services certification, if any.

The Officers shall be permitted reasonable time to perform and discharge the duties which are properly assigned to them under terms of this agreement. The Officers shall be permitted reasonable time to process grievances without loss of time or pay during regular working hours. Officers shall be allowed reasonable time to transmit messages which have originated with and are authorized by the Association so long as the transmission of said messages does not interfere with their regular work assignment. The President/Vice-President shall be notified of all new hires, reductions in hours or positions, changes in classifications, and reassignments/transfers of members.

ARTICLE III

DEFINITIONS

Section 1. Terms and conditions of Employment:

Shall mean the hours of employment, compensation therefore including fringe benefits, and the employer's personnel policies affecting working conditions of employees.

Section 2. Description of Appropriate Unit:

For purposes of this Agreement, the term clerical employees shall mean all persons (in the appropriate unit) employed by the School Board as B22 and B23 and higher should a unit member be designated as such, excluding those employees whose service does not exceed 14 hours per week or who hold positions of a temporary or seasonal character for a period not in excess of 100 working days per calendar year.

Section 3. Other Terms:

Terms not defined in this Agreement shall have those meanings as defined by the PELRA.

ARTICLE IV SCHOOL BOARD RIGHTS

Section 1. Inherent Managerial Rights:

The exclusive representative recognizes that the school district is not required to meet and negotiate on matters of inherent managerial policy, which include, but are not limited to, such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure and selection and direction and number of personnel.

Section 2. Management Responsibilities:

The exclusive representative recognizes the right and obligation of the school board to efficiently manage and conduct the operation of the school district within its legal limitations and with its primary obligation to provide educational opportunity for the pupils of the school district.

Section 3. Effective Laws, Rules and Regulations:

The exclusive representative recognizes that all employees covered by this Agreement shall perform the services and duties prescribed by the school board and shall be governed by the laws of the State of Minnesota and by school board rules, regulations, directives and orders issued by properly designated officials of the school district. The exclusive representative also recognizes the right, obligation and duty of the school board and its duly designated officials to promulgate rules, regulation, directives and orders from time to time as deemed necessary by the school board insofar as such rules, regulations, directives and orders are not inconsistent with the terms of this Agreement and recognizes that the school board, all employees covered by this Agreement, and all provisions of this Agreement are subject to the laws of the State. Any provision of this Agreement found to be in violation of any such laws, rules, regulations, directives or orders shall be null and void and without force and effect.

Section 4. Reservation of Managerial Rights:

The foregoing enumeration of board rights and duties shall not be deemed to exclude other inherent management rights and management functions not expressly reserved herein, and all management rights and managerial functions not expressly delegated in this Agreement are reserved to the school board.

Section 5. Probationary Period:

Any entering employee shall fulfill a probationary period from date of hire to the first anniversary of the date to demonstrate satisfactory job performance. Such entering employees shall be subject to dismissal without hearing during the probationary period.

ARTICLE V EMPLOYEE RIGHTS

Section 1. Right to View:

Nothing contained in this Agreement shall be construed to limit, impair, or affect the right of any employee or his/her representative to the expression or communication of a view, grievance, complaint, or opinion on any matter related to the conditions or compensation of public employment or their betterment so long as the same is not designed to and does not interfere with the full, faithful and proper performance of the duties of employment or circumvent the rights of the exclusive representative.

Section 2. Right to Join:

Employees shall have the right to form and join labor or employee organizations and shall have the right not to form and join such organizations.

Section 3. Request for Dues Checkoff:

Employees shall have the right to request and be allowed dues checkoff for the employee's organization of their selection, provided that dues checkoff and proceeds thereof shall not be allowed any employee organization that has lost its right to dues checkoff pursuant to 179A.06 of the PELRA. Upon receipt of a properly executed authorization card of the employee involved, the school district will deduct from the employee's bi-monthly paycheck the dues that the employee has agreed to pay to the employee organization during the period provided in said authorization. Deductions may be terminated by the employee by giving thirty days' notice to the school district business office to stop deductions. Deductions shall be made from each semi-monthly paycheck issued to the employee and transmitted to the designated organizations together with a list of names of the employees from whom deductions were made.

Section 4. Personnel Files:

Subd. 1. Members of the office personnel staff shall be notified whenever any statement which is critical of them is made a matter of record and placed in their personnel files. No derogatory information shall be placed in a members file without that person's knowledge.

Subd. 2. If a member wishes to review this District personnel file, a request shall be made to the Human Resource Department, who will schedule the review of the file. Nothing shall be removed from the personnel file prior to the review by the employee. The member shall have the right to reproduce any contents of the file at the member's expense and to submit for inclusion in the file written information in response to any material contained therein. The School District may destroy such files as provided by law.

ARTICLE VI CLASSIFICATIONS AND PAY

Section 1. Classifications:

Employees represented by the exclusive representative herein shall be employed in classifications, namely: B22 and B23. Transfers from one classification to another classification shall be made at the discretion of the school district, but in no event shall an involuntary transfer decrease the earnings for the same time worked of any employee covered by this Agreement. The rates of pay within classifications listed shall be itemized by the schedule attached hereto as an addendum, and increases in pay shall move from step to step within the classification on July 1.

Section 2. Rates of Pay:

The rates of pay within a classification shall be part of this Agreement for a period commencing on July 1, 2025, to June 30, 2028. Employees shall be raised to the next step on July 1 of each year, however, employees shall not be raised to the next step during a negotiations year until said negotiations are complete. Employees must have begun employment prior to March 1 of the preceding year in order to be eligible for the step increase. The district shall endeavor to place entering employees at no higher than the third step of their classification. The bargaining unit will be consulted before any exception is made.

Section 3. Advancing in Classification:

Employees transferred from one classification to another higher classification as provided in Section 1 of this article shall move to the same step presently occupied within the classification to which such employee is transferred. Employees transferred from one classification to another classification shall serve a six-month probationary period. In the event of unsatisfactory performance during the six-month probationary period, the employee is eligible to return to the former classification.

Section 4. Annualized Pay:

Each employee's annual salary will be paid over 24 checks. If an employee works less than twelve months they may elect to be paid over the length of their contract by submitting a written request to the payroll office by August 1st of each year.

Section 5. Deposit of Checks:

Each employee's pay shall be deposited electronically in any Automatic Clearing House (ACH) bank in the United States of America. The electronic data shall be taken to the financial institution for processing two business days before each pay day. Each employee shall furnish to the School District the following information:

Bank routing number

Bank account number for employee

Type of account (savings, checking)

After January 1, 1998, electronic deposit will be the only method used to pay employees. An electronic payroll remittance advice will be generated each payday for each employee listing the same items normally listed on a payroll check stub.

Section 6. Change of Classification Procedures:

If the immediate supervisor or the employee believes that the classification of a job no longer describes the requirements of the position, the employee or the supervisor shall contact the Human Resources Director to advise on the development of a revised position description. The position description shall be prepared in the format prescribed by the Human Resources Director. The position description, once signed by the supervisor, shall be submitted to the Human Resources Director. Additional documentation explaining the specific changes in the position and supporting reclassification may be submitted with the position description. At the request of the employee or the Human Resources Director, a meeting may be held to discuss the revised position description. Upon review, the Human Resources Director shall reply to the reclassification request, in writing, to the administrator within 30 days. The decision may be appealed to the superintendent of schools.

Section 7. Call Back Time:

There shall be a minimum two-hour pay for any employee required to perform functions related to their job after regular working hours, on weekends or holidays and on non-scheduled work days. The call back provision shall only apply in those cases where the employee's assignment has ended and they are called back unexpectedly, without notice, and shall not apply when the employee has been scheduled in advance, prior to the start of their shift; or when it is a continuation of the employee's shift.

Section 8. Substitute Clerical Personnel:

A substitute employed to fill in for any clerical personnel covered by this agreement will be paid at a rate set by the school board for the first fifteen (15) consecutive days for the same employee and thereafter will be placed on the first step of the classification in which they are substituting. The district may, at its discretion, pay the long-term substitute at a higher step, not to exceed the third step, based on the skills and experience of the substitute.

When a regularly-employed bargaining unit employee is assigned to substitute in any way for another bargaining unit employee, they shall receive: if in a higher classification, they will receive the wages of his/her own step in the classification being worked, or if in a lower classification, they will receive their own wages. When a regularly employed bargaining unit employee applies for and is selected to serve in a position on a temporary or sporadic basis, they shall receive the wages of the classification being worked.

Section 9. Compensatory Time:

Employees shall not be requested or required to take time off for overtime worked or to be worked; however, employees may request and receive at the discretion of their supervisor, time off as a method of paying for overtime hours to a maximum of 40 hours. Compensatory time shall be at the appropriate overtime rate at which it was earned. Compensation time off may be taken any time during the contract period with approval of the immediate supervisor, with a maximum carryover of 30 hours to the next fiscal year.

Section 10. Years of Service Career Increment:

Beginning with the 15th year of service as an Office Professional in District 861 the Office Professional shall be eligible for an annual Years of Service Career Increment of \$500.00 to be paid in a lump sum with the last payroll in June.

ARTICLE VII SENIORITY

Section 1:

Seniority, for the purpose of this Agreement, shall be defined as follows: Continuous service in District 861 in a clerical/secretarial position with the date of record being the first date of employment in the District in said capacity. Movement from one classification to another does not change the seniority date. A seniority list shall be provided to each unit member by October 1 of each year.

Section 2:

Seniority shall terminate when an employee retires, resigns, or is discharged.

Section 3:

In the event it is determined by the School Board that it is necessary to reduce the work force, the administration will determine which position will be eliminated. Positions which have been reduced in

hours but not completely eliminated do not apply to the provisions outlined in Section 3, 4, or 5 of this article. For the purposes of determining bumping rights, positions will be designated into two groups: vacation eligible and non-vacation eligible positions. The person in the eliminated position shall then bump the most junior person in her/his classification within their same vacation eligibility group. For example, a person who is not eligible to earn vacation can only bump another person who is non-vacation earning within his/her classification. If there is no one in the same classification junior to the person holding the position to be eliminated, they shall bump the junior person in the next lower classification provided they are in the same vacation eligibility group. When placing employees into positions, the district shall take into account the number of annual hours and benefits and attempt to place employees into comparable positions when possible. If there is no junior person in the categories involved, the individual would be placed on recall. When vacancies exist, the senior member will have the opportunity to express interest and/or provide reasoning for placement in a particular vacancy, however, the district maintains the managerial right of assignment. The district shall notify the employee of their assignment placement in writing. The employee will then have five (5) business days to notify the district of their intention to accept the assignment placement or be placed on recall.

The unit member on recall would be entitled to the first open position in her/his classification, and would be required to return to it upon notification. Failure to do so would mean that the employee gives up her/his recall rights and is terminated. If a position within two grades below her/his classification opens, the person on recall must be notified and would have the option to return to such position or remain on the recall list.

It is recognized that an employee in a lower classification cannot bump an employee in a higher classification regardless of their seniority status.

Section 4. Reduction of Hours:

It is understood that bus and supervision duties before and after school and during the lunch hour change on an annual basis. Such duties are assigned on an annual basis and a change in this area does not constitute a reduction of hours. In the event it is determined by the School Board that it is a necessary change to reduce the work force or work hours, administration will determine which position(s) will be reduced in hours. Employees who have a reduction in hours of 20% or more, shall have the following options: bump the junior person in their eligibility group with the most equal number of hours to the original position within her/his classification; or stay in their current position and accept the reduction. Unit members facing a decision whether or not to accept the reduction of hours or bump a junior person, shall have one calendar week from the time they receive notice of the reduction to respond. Their choice, when made, becomes final. Administration shall transfer the employee into a position if it is within their eligibility group, classification, and with the original number of hours if one comes available within a twelve-month period.

Employees accepting a reduction of hours shall not be considered underemployed and shall not be eligible for recall. One-week advance notice shall be given for a reduction of hours. Unit members shall provide the employer with a minimum of two weeks' notice prior to resignation.

Section 5:

In the event of termination implemented because of a work force reduction, the secretary who has been terminated shall be sent job opening notification from the Human Resources Office for a period of two years from the time of said termination. The job openings mailed from the Human Resources Office refer to those classifications referred to in this Agreement.

Under no circumstances shall the employer hire from the open market while employees are on the recall list, qualified to perform the duties of a vacant position, and are ready, willing and able and have notified the district that they are available to be re-employed. Upon returning to a district position the employee shall be placed on the same step on the salary schedule as occupied at the time of termination and shall be given credit on the seniority list for all years worked in a clerical capacity in the district prior to termination.

Section 6. Recall List:

Those secretaries on a recall list will be put on a substitute secretaries list to be called in case of absent secretaries provided they are qualified to do the job.

**ARTICLE VIII

The insurance carriers currently utilized by the district and the insurance policies currently in effect shall be retained throughout the duration of the current policies or until they are terminated. Section 3. Vacations:

Vacation is accrued on July 1 of each year. If an employee has not served a full year, as of July 1, their vacation accrual of the first year shall be pro-rated based on the actual number of hours worked.

For purposes of determining when an employee is eligible to move from one vacation category to the next, the first year shall be considered a full year if the employee has worked a minimum of eight months.

Full-time Accrual (rates effective 7/01/16)

One through three years of service – earn 104 hours (13 days) to use the following year.

Beginning with the fourth year through five years of service – earn 112 hours(14 days)to use the following year.

Beginning the sixth year through ten years of service – earn 144 hours (18 days) to use the following year,

Beginning the eleventh year through the twentieth years of service – earn 184 hours (23 days) to use the following year.

Beginning the 21st year of service and thereafter – earn 200 hours (25 days) hours to use the following year.

Full-time employees may carry over 80 hours of vacation. Unused vacation in excess of the allowable carryover will be paid out at 100% of the employee's hourly wage.

Employees eligible for vacation benefits shall move from one accrual level to the next based on their years of service to the district.

Part-time Accrual

Employees regularly scheduled to work a minimum of 20 hours per week and scheduled to work a year consisting of fifteen working days more than the contract period for licensed staff members employed in grades K through 12 shall earn prorated vacation benefits. It is understood that holidays are not considered days worked. Employees hired prior to March 1, 2008 that are regularly scheduled to work a minimum of 20 hours per week and scheduled to work a year consisting of five working days more than the contract period for licensed staff members employed in grades K through 12 shall earn prorated vacation benefits.

Prorated benefits will be calculated based on the expected number of hours worked annually, i.e., if an employee works 1040 hours per year they will receive a benefit equal to 50% or 52 hours of vacation per year and may carry over 40 hours of vacation.

Part-time employees regularly scheduled to work 19 hours per week or less are not eligible for vacation benefits.

When an employee's services are terminated with the district, except for discharge for cause, vacation pay shall be computed and paid for on a prorated basis of the time worked in the year under consideration.

Subd. 1: Any vacation earned under Section 3 of this article shall be deemed to be available to the employee only at the conclusion of the work year. For this purpose, a work year is defined as being completed at the end of the day, June 30, except that an employee may carry forward a maximum of eighty (80) hours of vacation. Unused vacation will be reimbursed at 50% of the employee's hourly wage. Vacations may be started between May 15 and July 1 with special permission of the employee's immediate supervisor.

Subd. 2: Vacation time shall be granted after submission of a signed request to the immediate supervisor.

Subd. 3: If a holiday falls in the vacation period, the holiday shall not count as a day of vacation.

Section 4. Vacations Without Pay:

During the school year certain areas of the school district do not function. Therefore, vacations during these periods shall be given without pay to the affected employees as follows: for those who have a regular schedule of work providing less than twelve months of employment shall have the entire duration of winter and spring classroom recesses as vacations without pay. In addition, the two days during the MEA and MFT conventions shall also be considered vacations without pay. The immediate supervisor may require that the employees work during all or a part of these periods. The immediate supervisor shall secure prior approval from the Director of Human Resources. The hours the employee then works during these periods will be reported to the business office by a voucher signed by the immediate supervisor and the director of human resources.

Section 5. Child Care Leave:

Subd. 1: Unpaid child care leave shall be granted by the district upon request delivered at least one month prior to the time such leave is to be taken. Such leave may be for periods extending beyond a period of time the employee is unable to work due to pregnancy, childbirth, or recovery therefrom, but shall be for no longer than one full year from the date of the commencement of such leave. The leave shall be granted only in cases where the employee requests such leave for the purposes of attending to a newborn or newly adopted child.

Subd. 2: Employees on child care leave will continue to be covered, for a twelve-week period, under the district's group health insurance plan and life insurance plan under the same conditions as coverage would have been provided if they had been continuously employed during the leave period. This twelve-week period includes the period in which sick leave has been utilized for the birth of a child. Beyond the twelve-week period, employees may continue the insurance programs of the district by paying the full premiums regularly. This twelve-week period of insurance coverage is provided per

FMLA and may only be utilized once during the twelve-month period from July 1 to June 30. Under FMLA this twelve-week period may be intermittent. Applicable law will be followed.

Section 6. Bereavement Leave:

Employees that are not eligible for vacation shall be granted 3 days of personal leave each year without loss of pay. Beginning July 1, 2020, employees who have completed fifteen (15) consecutive years of service at the beginning of each fiscal year shall be granted 4 days of personal leave without loss of pay. Beginning July 1, 2020, employees who have completed twenty (20) consecutive years of service at the beginning of each fiscal year shall be granted 5 days of personal leave without loss of pay.

Such leave shall be pro-rated for part-time employees, based on the number of hours worked each day, and employees who started employment mid-year. Employees who do not work the same number of hours per day or who do not work 5 days per week will earn personal days by determining the average number of hours worked per day during a 5-day week. For example, an employee working 6 hours per day, 4 days per week, will earn 14.4 hours of personal time.

Use of personal days requires pre-approval of the administrative supervisor. Unless an unforeseen circumstance occurs, at least 3 days advance notice will be provided to the supervisor for approval. Unused personal days shall not be paid out but may be carried over to a maximum of ten (10) days. At no time shall an employee bank more than ten (10) personal days.

Employees hired into positions that earn vacation shall be granted 3 days of personal leave, non-cumulative, during the first year of employment during which time they are unable to utilize vacation days they are accruing. During the approved leave the employee shall not accrue seniority, years of service, or advance on the pay scale. If the retiring employee elects district-sponsored health insurance, the district will pay the monthly premium through the end of the calendar year in which the employee retires. The total premium amount from the date of retirement until the end of the current calendar year will be calculated at the time of retirement and deducted from the employee's retirement incentive. The remainder will be deposited into a Post-Retirement Healthcare Account under the supervision of the Minnesota State Retirement System.

Subject to the limitations listed below, the school district will contribute an amount equal to the value of the employee's severance pay directly into the retiree's 403 (b) account. The retiree will not receive any direct payment from the school district for severance pay. The retiree shall provide the district with the allowable maximum contribution level for the year in which the severance will be paid. The severance payment shall be paid by the district in one payment made on or about January 15 of the year immediately following the resignation or retirement, unless the severance amount exceeds the allowable maximum contribution level, in which case the remainder of the payment will be made the following January 15th.

Employees eligible for severance shall have the payment amount reduced by the total matching 403b dollars paid by the district over the employee's employment unless such a reduction has been made to the retirement benefit as per Article XI, Section 7.

INCENTIVE PROGRAM

The clerical unit Incentive Policy will end effective January 1, 2009. Employees may maintain all incentive credits earned up to that point. Beginning January 1, 2009, employees shall be eligible for a minimum of eight hours of annual training for which they will be paid. All training must be approved by the administrative supervisor and requested as per district policy and procedures.

APPENDIX A

The parties agree that unit employees eligible for health and dental insurance and who work less than 12 months shall have the option to pro-rate their contribution (if any) toward health and dental insurance over the number of checks they receive. Eligible employees who opt to have the insurance premium payments pro-rated must do so with both health and dental; they may not pro-rate one and not the other.

This option will be available prior to the start of each school year and said option must be exercised between August 15 and September 10. New employees and employees who have a qualifying event happen to them as defined by Section 125 legislation shall have the same option during the first 30 days of their employment or within 30 days of the qualifying event. A qualifying event is construed to be a change such as marriage, divorce, loss of job by a spouse that precipitates the need to change insurance coverage from single to family or family to single.

APPENDIX B

One member of the unit shall be grandfathered in, in that the new language in Article IX section III shall not apply to that individual.
