Investigating Careers Teacher Teachers' :

Description:

Introduces middle school students to a wide range of career opportunities. This course is designed to help students explore different career pathways, understand workplace expectations, and begin connecting their interests to future opportunities. This elective is an interdisciplinary approach to education that integrates the exploration of careers with a focus on high school CTE programs to help students develop their four-year graduation plan.

Qualifications

- Bachelor's or Master's degree from an accredited college or university
- Valid Texas teaching certificate with appropriate CTE or relevant endorsement
- Ability to integrate technology and real-world applications into instruction
